

Neda Zoltan

Pagina web personala:

<http://www.phys.ubbcluj.ro/~zneda/>

profil google Scholar:

<https://scholar.google.com/citations?user=NDvgisAAAAJ&hl=hu>

research ID:

<https://publons.com/researcher/745880/zoltan-neda>

Domeniu de cercetare

Aplicatii interdisciplinare ale metodelor si modelelor fizicii statistice, fenomene stohastice, sisteme complexe, econofizica, fenomene collective, sisteme nelineare

Research domain

Interdisciplinary applications of the methods and models of statistical physics, stochastic phenomena, complex systems, econophysics, collective behavior, nonlinear systems
